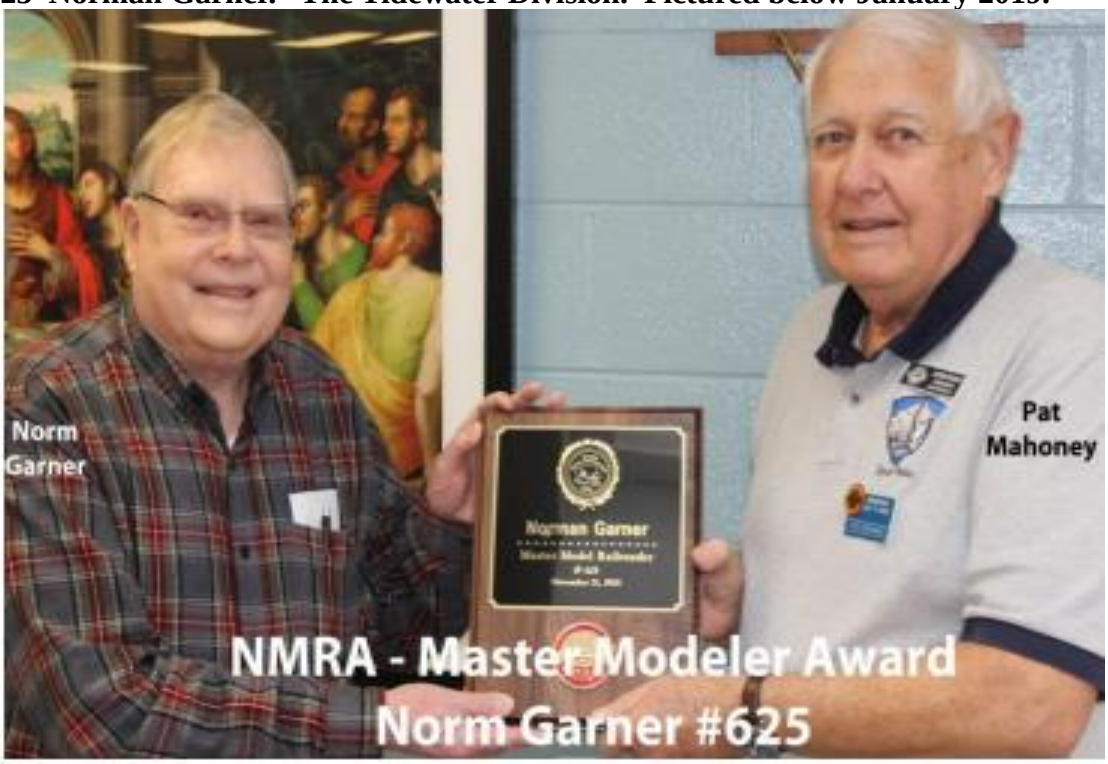
MMR_625 Norman Garner. The Tidewater Division. Pictured below January 2019.



Norm served as the Division's Achievement Program Chairman. In that capacity, Norm was the point of contact for all individuals who decide on becoming a "Master Model Railroader." Norm has also served as the Vice President and President of his Region; and has been heavily involved for years and is a life Member in his Region and NMRA. An entire book could be written on Norm's NMRA contributions

Norm is a Master Model Railroader (MMR) who has achieved the highest level of recognition in the model railroading community. The Master Model Railroader (MMR) title is awarded by the National Model Railroad Association (NMRA) to individuals who demonstrate exceptional skill, knowledge, and dedication to the hobby.
